Researching Judges - University of Cincinnati College of Law The 2013 Edition of BNA's Directory of State and Federal Courts, Judges, and Clerks, provides comprehensive listings of names, addresses, and telephone numbers for judges, clerks, and related personnel. The directory is a valuable resource for researchers, attorneys, and legal professionals.

The directory includes listings for 2,153 state courts and 220 federal courts, with information given on court organization, court name, geographic location, and other relevant details.

Additionally, the directory contains information on judicial clerkship opportunities, including opportunities for internships and full-time positions. It also provides contact information for court administrators and other key personnel.

The directory is regularly updated to reflect changes in court personnel and organizational structures. It is available in print and online, making it accessible to researchers and legal professionals worldwide.
