Defending Immigrant Rights: An Activist Resource Kit

Political Research Associates

Defending Immigrant Rights: An Activist Resource Kit is a comprehensive resource designed to help activists understand and defend the rights of immigrants, refugees, and asylum seekers. This kit provides information on a wide range of topics, including immigration laws, detention practices, and the challenges faced by immigrants and refugees. It also includes organizing advice, media tips, and information on fundraising. The kit is part of a series of Activist Resource Kits produced by Political Research Associates, which aims to provide activists with the knowledge and tools needed to defend human rights and support immigrant rights.
