Shakespeare: An Anthology Of Criticism And Theory, 1945-2000

Russ McDonald

Shakespeare: an anthology of criticism and theory 1945-2000. Shakespeare: An Anthology of Criticism and Theory 1945-2000. Malden Russ McDonald's goal in crafting this anthology of post-WW II Shakespeare studies is to provide a comprehensive resource for scholars and students of Shakespeare. This anthology includes works from a variety of critical perspectives, offering a broad survey of Shakespearean scholarship. The anthology covers a wide range of topics, from the Elizabethan period to the Restoration, and includes essays on major plays and individual characters. It is an invaluable resource for anyone interested in understanding the many different ways that Shakespeare's work has been interpreted over time.
